

Livonia Community Transit

To Work Service

Livonia Community Transit (LCT) serves two hubs for the SMART and D-DOT bus systems by providing “To Work” transportation for passengers going to certain Livonia businesses. The drop-off points, based on key areas of Livonia, have been pre-determined. SEE REVERSE SIDE for locations.

The “To Work” program operates daily (except major holidays), with pick-up times Monday through Friday 6:00, 7:00 and 8:00 a.m. and return drop-offs at 4:00, 5:00 and 6:00 p.m. There is no weekend service. The SMART hub is located near Botsford Hospital on Grand River Ave. and the Millennium Park hub is located near I-96 and Middlebelt, behind Costco.

Reservations are not required to use the service. Cost per ride is \$2.00 each way. **Drivers do not make change.** Transfers can be used between the D-DOT and LCT bus systems, but cannot be used with SMART.
